City of Melbourne Crystal Vision Award

WINNER: Fiona Dunster Cbus Property

Fiona Dunster is a senior executive in the development and construction industry with a solid background in project management.

Throughout her career Fiona has sought out opportunities to support, inspire and mentor women in the construction industry. She has taken a proactive approach and applied a sustained focus in bringing about tangible positive change for women; using her senior position within the industry to influence company policy and promote an awareness of women's contribution within senior management positions.

She has spearheaded numerous development programs such as an industry sponsored snapshot survey, in so doing garnering support from other organisations within the construction industry; she has chaired Melbourne University Curriculum Advisory Board, and an ongoing involvement in the NAWIC Mentoring program both as mentor and mentoree.

Fiona is an energetic, inspirational and dynamic individual who offers an important role model to others. She is a champion for women within construction, and as such is a worthy recipient of the NAWIC 2007 Crystal Vision Award.
